West region stakeholders note domestic butter demand as varying from moderate to steady. Central and East region stakeholders note domestic butter demand as somewhat stronger. Concerning export demand, some manufacturers relay butter demand from international buyers as very strong. Cream volumes have generally remained heavy throughout the country. Butter producers are busy running cream volumes through their churns and building stock for later seasonal demands. Bulk butter overages range from 12 cents below to 5 cents above market, across all regions.

Information for the period February 24 - 28, 2025, issued weekly

Secondary Sourced Information:

CME: Grade AA closed at \$2.3450. The weekly average for Grade AA is \$2.3480 (-0.0739).
