Livestock Weighted Average Report for 3/17/2021 - Final

AUCTION

	This Week	Last Reported 3/10/2021	Last Year
Total Receipts:	3,369	6,015	625
Feeder Cattle:	3,369(100.0%)	6,015(100.0%)	625(100.0%)

Compared to last week: best test on steers 600 to 650 lbs, 700 to 750 lbs, and 850 to 1000 lbs 2.00 to 5.00 higher with other weight classes of steers not well compared today. Heifers 500 to 600 lbs mostly steady, 601 to 750 lbs 3.00 to 6.00 higher except 650 to 700 lbs not well compared. Good to very good demand for today's offering of packages and loads, including several packages of replacement heifers. Mostly average to attractive quality cattle to choose from today, overall quality slightly more attractive than last week. Flesh mostly light to moderate plus today, many cattle available that would be able to fit into summer grass programs. Some tag showing on the offering today as the area has seen mixed precipitation the last week and very little to no sun to dry things out and lot conditions have become sloppy. An active market seen for today's offering. Next feeder cattle sale is Wednesday, March 24. Supply included: 100% Feeder Cattle (54% Steers, 46% Heifers). Feeder cattle supply over 600 lbs was 83%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price	
19	407-448	428	181.00-188.00	185.35

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
