No trend this week as this was the first Calf Special of the Fall. All receipts consisted of mainly preconditioned calves right off the cow. A nice offering with an active market with buyers wanting calves with both shots in the spring and fall. Another Calf Special next Monday the 10th with a larger run expected. Supply included: 100% Feeder Cattle (61% Steers, 39% Heifers). Feeder cattle supply over 600 lbs was 9%.
