

## Morning National Slaughter Cattle Review for Tuesday, 01/10/23

For Tuesday negotiated cash trade was at a standstill in the Southern Plains and Nebraska. Negotiated trade was mostly inactive on light demand in the Western Cornbelt. Not enough purchases in any feeding region for an adequate market test. The latest established market in any region was last week with live purchases in the Southern Plains and Nebraska at 157.00 and dressed purchases at 252.00 in Nebraska. In the Western Cornbelt last week live and dressed purchases traded from 158.00-160.00 and at 252.00, respectively.
