Negotiated cash trade limited on light to moderate demand in Nebraska and the Western Cornbelt. Both regions had a few early purchases mostly at 110.00 and 175.00, however not enough for an adequate market test. Trade at a standstill in the Southern Plains. The latest established market in any feeding region was last week with live in the Southern Plains and Nebraska at 113.00. Dressed purchases in Nebraska 180.00-182.00. Last week in the Western Cornbelt live purchases traded from 112.00-115.00 with dressed purchases from 180.00-182.00.
