

Weekly Kentucky Cattle and Grain Summary

USDA Livestock, Poultry and Grain Market News

Frankfort, KY

Friday, October 16, 2020

For Week Ending:

Thursday, October 15, 2020

Receipts: 16,699

Last Week: 19,809

Last Year: 26,798

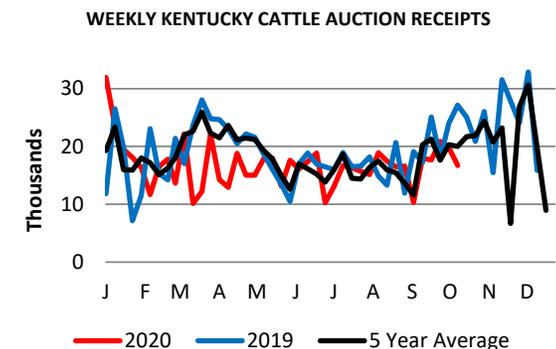

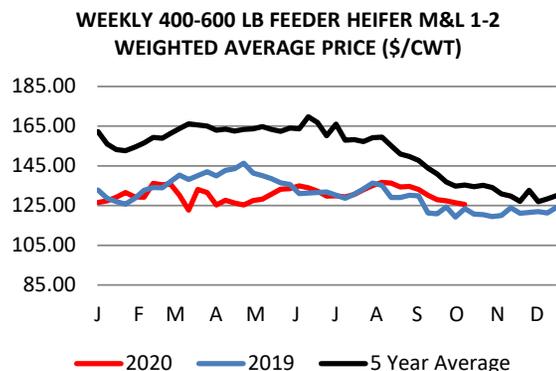

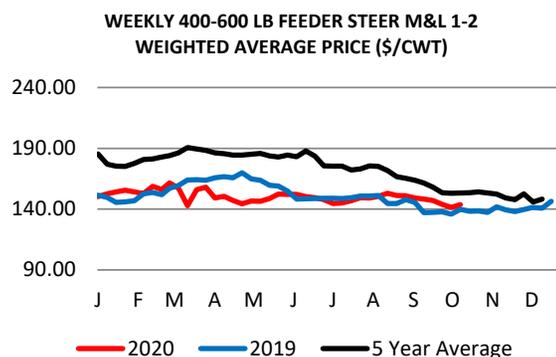

Compared to last week, feeder steers and heifers were unevenly steady with instances of 2.00 higher to 2.00 lower. Demand was mostly moderate for feeder cattle, with the best demand shown for long-weaned (45+ days), preconditioned cattle. As we enter the time of year with warm days and cool nights, health concerns are imminent - more notably in calves that are newly weaned.

Slaughter cows were mostly steady to 3.00 lower, and slaughter bulls mostly 2.00-4.00 lower.
