

NEBRASKA WEEKLY SUMMARY

Recap For Week Ending

April 20, 2019

Receipts: This Week: 21,211 Week Ago: 7,444 Year Ago: 0

Compared to the last release report, steers under 600 lbs sold 4.00 to 6.00 higher, 600 to 800 lbs sold 10.00 higher and over 800 lbs sold 4.00 higher. Heifers under 600 lbs sold 2.00 to 5.00 higher, over 600 lbs sold 5.00 to 7.00 higher. Demand was good to very good at all reporting auctions. Grass cattle buyers came from surrounding states to bid and buy cattle for summer turnout. Also, many feedlot pens have dried considerably the last week and farmer/feeders came to town to procure cattle before they become swamped with planting spring crops. Corn planting across the mid west is roughly three weeks behind and once farmers start to plant, purchasing cattle wont even cross there mind until the planters are back in the shed. Large strings on hand at auctions as many cattle have been delayed 2 to 4 weeks due to the effects of the two bomb cyclones across the state. Feedlot trade sold 2.00 to 4.00 higher at 130.00 live and 3.00 higher at 208.00 dressed. Supply included: 99% Feeder Cattle (52% Steers, 0% Dairy Steers, 45% Heifers, 3% Bulls); 1% Slaughter Cattle (77% Cows, 23% Bulls); 0% Replacement Cattle (100% Stock Cows). Feeder cattle supply over 600 lbs was 67%.
