Northwest and some in the Centrals areas received some snow over the weekend and other areas had a little rain with some large hail and dry in other parts. Green grass is trying to peak through the ground. Just need some rain and warm temps and it would grow overnight. Sharply higher feedlot trade on Thursday with dressed sales 5.00 to 7.00 higher from 270.00 to 272.00 and live sales sold 4.00 to 7.00 higher from 168.00 to 172.00.
